Career Objective

Passionate and detail-oriented Computer Science & Engineering student with strong expertise in modern web development using React.js, Next.js, and Tailwind CSS. Experienced in building responsive, user-centric full-stack applications with a focus on clean code and excellent user experience. Seeking an entry-level software development internship or role where I can contribute to innovative projects while continuously growing as a professional developer.

Technical Skills

- **Languages:** C, C++, JavaScript, Python, SQL
- **Web Technologies:** HTML, CSS, JavaScript, React.js, Next.js
- **Tools & Frameworks:** Git, GitHub, Vercel, Tailwind CSS
- **Machine Learning:** Sentiment Analysis, Privacy-Preserving ML
- **Soft Skills:** Problem Solving, Teamwork, Communication, Leadership

Projects

TicketBari

An online ticket booking platform for bus, train, launch, and flight tickets across Bangladesh. [\[Live Demo\]](#)

- Google OAuth login via BetterAuth
- Admin fraud detection — hides all vendor tickets on fraud mark
- Booking flow: pending → accepted → pay → paid
- Stripe payment integration
- Real-time departure countdown timer on ticket details
- Fully responsive — mobile, tablet, desktop

IdeaVault

A community platform to share, explore, and validate startup ideas. [\[Live Demo\]](#)

- Secure JWT authentication with email/password login and Google sign-in support
- Post startup ideas with title, category, problem, solution, budget, tags, and image
- Full comment system — add, edit, and delete your own comments on any idea
- Search ideas by title and filter by category with a live results count
- Dark and light mode toggle that persists across sessions using localStorage

SkillsSphere

Modern online learning platform built with Next.js. [\[Live Demo\]](#)

- Browse and search courses with category filtering
- User authentication with protected routes
- Interactive lesson watching and enrollment system
- Responsive modern UI with excellent user experience

Digitool Platform

E-commerce platform for purchasing digital tools and resources. [\[Live Demo\]](#)

- Product catalog with search and filtering functionality
- Smooth shopping cart and checkout process
- Fully responsive and user-centric design
- Built with React.js and Tailwind CSS

Experience

Data Entry Operator

FRONTDESK BANGLADESH LIMITED
